October 1, 2004**SECOND SUPPLEMENTAL AMENDMENT
(SECOND REVISION)**Hon. Commissioner
of Patents and Trademarks
Washington, D.C. 20231

Sir:

As a supplement to the Supplemental Amendment filed on May 13, 2002, in the above-captioned patent application, and in response to the paper mailed on September 7, 2004, the Applicant respectfully requests that the Examiner consider the following amendments and new claims, all of which were previously submitted. This Second Supplemental Amendment (Second Revision) is being submitted before the issuance of a second office action in the above-captioned patent application.

While the paper mailed on September 7, 2004, did not include a date for response, the undersigned understands that papers objecting to the format of a previously-filed Amendment typically carry an one month response period. Accordingly, this Second Supplemental Amendment (Second Revision) is being supplied within that one month period and is, therefore, believed to be timely.
